- All contestants must be appropriately attired. Tops must be worn AT ALL TIMES (regardless of gender). Failure to comply will result in a maximum deduction of 15 points. Further refusal of participation will result in the loss of any entry fees, awards, or financial obligations on the part of Nexus Dance Conventions and Competitions.
- Performers and teachers grant permission to use performer/performance photographs and video footage for advertising and promotional purposes.
- Video recording of students other than your own studio is prohibited, for the protection of choreography. Noncompliance will result in confiscation of recording and disqualification.
- Flash photography is permitted.
- Props 8' and under are permitted. Props must not damage marley flooring. A time limit of 2:00 minutes will be allowed for the setup and strike of props. A deduction of 15 points will result from noncompliance. Nexus reserves the right to reject any prop due to safety or property concerns.
- Pyramids are not allowed in any category. A pyramid is considered more than two bases, holding more than one flyer, in the same stunt.
- The use of mini-trampolines and springboards is prohibited.

- All routines not competing in the acro category may contain a maximum of three (3) acro passes.
- Each performer must have a parent release submitted to Nexus Dance prior to performance.
- **Nexus often runs ahead of schedule. Please be prepared to perform one hour prior to your scheduled time. Everyone must be ready to compete when their number is called. There can be no delays to the show due to dancers rehearsing when they are supposed to be on stage. We will work with costume change conflicts; however, you must notify the backstage manager of your issue in advance. Failure to perform on time risks point deduction and possible disqualification.**
